PROJECTS

Fuel Blending & Efficiency Analysis

- Applied mass balance principles to calculate ethanol mixtures (E30–E40) for performance optimization.
- Analyzed fuel composition variability and its impact on engine performance and efficiency.
- Developed practical understanding of mixture calculations, ratios, and system consistency.

Process Optimization in High-Volume Service Environment

- Identified workflow inefficiencies in a fast-paced food service setting and improved order throughput.
- Applied concepts of process standardization and consistency under variable demand conditions.
- Focused on minimizing waste and improving operational efficiency.

EXPERIENCE

Açaí Bar Associate

August 2024 – Current

Sambazon – Bambuza Hospitality Group | John Wayne Airport

- Executed standardized food preparation processes with strong attention to precision, consistency, and quality control.
- Maintained strict adherence to sanitation and safety protocols in a regulated, high-throughput environment.

- Monitored inventory levels and ingredient usage, optimizing workflow to reduce waste and maintain efficiency.
- Operated POS and order systems with accuracy while managing high-volume demand during peak hours.
- Applied problem-solving skills to adapt to dynamic conditions and maintain operational efficiency.
- Collaborated with team members to streamline processes and ensure consistent product output.

Referee

December 2023 – August 2024

SOCFFL – South Orange County Flag Football League

- Officiated youth and adult flag football games, ensuring rule enforcement and fair play in a fast-paced environment.
- Managed game flow and resolved conflicts efficiently under pressure.
- Maintained field conditions before and after events to ensure safety and operational readiness.
- Communicated effectively with players, coaches, and spectators to uphold a positive game environment.

Referee / Assistant Coach

January 2018 – August 2022

Gridiron Football – formerly Aliso Viejo Flag Football League

- Officiated youth flag football games while ensuring consistent rule application and player safety.
- Trained and mentored new referees, improving officiating consistency and league operations.
- Led skill-development sessions, teaching fundamentals and game strategy to young athletes.
- Assisted coaching staff in planning and executing practices and in-game strategies.
- Supervised and mentored youth participants at seasonal camps, fostering teamwork and discipline.
- Prepared and maintained fields to meet safety and quality standards.

ACHIEVEMENTS
